

# JARAMILLO DELGADO MARINA

## Marine Biologist

✉ m.jaramillo.delgado@gmail.com

☎ +34 670919840 (WhatsApp)

📍 Tenerife, Canary Island

## WHO I AM

Born in Seville in 1991, I am a marine biologist and diving instructor since 2017. My passion is the ocean, the conservation and protection of the organisms that live in the great blue. I have turned my passion into my work, so I am not lacking in motivation when developing new projects. As key points I can affirm professionalism as well as safety during the dives, working as a team and always maintaining optimism.
